Subject: Release of Surety Bond 1 Lake Rock Products, Beck Street Mine, M/035/0020,  
Salt Lake County, Utah

Dear Mr. Burggraf:

Your letter of April 16, 2010, asks for formal release of bond 1. On January 22, 2009, the Division of Oil, Gas and Mining returned the original bond to Travelers Casualty and Surety Company of America by certified mail. The bond was received by Travelers on January 29, 2009.

The cover letter accompanying the bond says another bond has been accepted as the replacement for 1 but the wording of the letter may have been confusing because it says, "This bond replacement does not constitute bond release."

Surety bond 1 in the amount of \$100,000.00 has been replaced with surety bond 1 in the amount of \$363,100.00; therefore, the Division releases Lakeview Rock Products and Travelers Casualty and Surety Company of America from obligations under surety bond 1.

I hope this adequately clarifies the Division's action. Please contact me at 801-538-5261 if you have questions.

Sincerely,

Paul B. Baker  
Minerals Program Manager
